ZEUS

The interior design of a modern negotiation zone is unthinkable without new technologies and materials. Metal and glass, fresh constructive ideas, unusual proportions of colours and textures are the distinctive features of the new aesthetics furniture.

ZEUS conference table by **SummitTime** was created with consideration of the leading world design tendencies and can become a real catch for your office project.

ZEUS

ZEUS

ZEUS – is the most decent line in our collection. The extra extended size negotiation table veneered with roman oak in matte coating will add to the representative quality of Your office.

[EZ70 (9924)]

W: 997 / D: 240 / H: 76

ZEUS

Our ZEUS line presents two conference table designs – extra long 997 cm and 520/480/450/420 cm long oval shape. The table tops equipped with the cable tray.

Especially elegant two-legs design of the tables will bring a lightness to your office and fill it with light and glamour.

[E270 (9924)]

W: 997 / D: 240 / H: 76

ZEUS

Conference tables are perfectly designed to suit the needs of any office due to the opportunity to select model with suitable table length and depth.
