BASTO

BASTO辦公椅拋棄各種花哨設計元素，集中解決現代辦公場所中最重要的問題：空間和功能。辦公椅可以伴隨著身體360°自然運動，使用者可以持續穩定地進行關節和肌肉的活動，無論是在家中還是在辦公時使用，都能帶來有效的腰和後背支撐同時倍感輕鬆舒適。

The BASTO office chair abandons various fancy design elements and focuses on the most important issues in modern office space: space and function. The office chair can accompany the 360° natural movement of the body, and users can continue to perform joint and muscle activities steadily. Whether used at home or at work, it can bring effective waist and back support and feel relaxed and comfortable.

Dynamic balance movement

Size to size
