感受那流暢的線條，讓人細看總是無法控制自己的手指從椅背撫摸到扶手。

Feel the smooth lines, let people look at the fingers that can't control themselves from the back of the chair to the armrest.

流暢的線條勾勒出簡潔的造型，搭配柔軟精緻的面料，觸感、質感十足，創造出簡單自然氛圍，至于空間中，有一種低調的深刻。

The smooth lines outline a simple shape, with soft and delicate fabrics, full of touch and texture, creating a simple natural atmosphere, as for the space, there is a low-key deep.

木質感的家具更加適合空間的溫潤質感，而且家具結構也更加結實。

Wooden furniture is more suitable for the warm texture of space, and the furniture structure is also more solid.
