workmanship, which is not
only a product, but also a
fashion charm allure of
art, the combination of
beautiful life enjoyment.

The design is simple
and elegant

ARTS IS NOT
WHAT YOU SEE

DESIGN, SIMPLE AND ELEGANT

KNOW ABOUT SKATE

Design, simple and elegant

The SKATE chair features a high-strength ironwork frame that combines high strength, lightweight and stylish appearance. The balance bracket designed by mechanical principle is connected between the legs of the chair, which is fashionable, delicate and full of aesthetic feeling. The seat surface that fits the hips of the human body gives full play to the fashionable and people-oriented design.

Beyond the real world, it creates a poetic image world, renders the beautiful feeling brought by SKATE, and also shows the elegant taste of consumers. The flowing tone Fu gave full play to the poetic melody, light song and dance, endless experience of dreamlike artistic conception, symmetry and balance, and casual gave out the beautiful lines.

Design

The world is beautiful, not as warm as home

Home

Home is a part of our lives, a long and wonderful episode

SKATE QUALITY HAS SENSE HAPPINESS HAS TASTE

The beauty of life is yourself slowly to taste, only in this way, can let oneself unique taste of life, the life that occupy the home also can let oneself curtilage at home, slowly wake up himself, thinking of his life the wrong things, constantly to reflect on, the life lies in three or four, let oneself quiet to enjoy the beautiful time rings.

It shows the sign of quality life/maturity, and the stable style increases the sense of space level. It is resistant to dirt and easy to take care of in daily life, demonstrating the master's taste.

The combination of blue and white is simple and fashionable.

DESIGN IS
A WAY
OF
THINKING

COLOUR IS
A WAY
OF
ATTITUDE

FASHION

Fashion people like to fully reflect their own individuality in family furnishings, just like a musician's insistence on the beat. Scholars and refined people with romantic atmosphere often prefer noble and elegant classical music and light music with relaxed and beautiful melody, just like the temperament of skate,

just like skate chair, which is simple, rich and modern

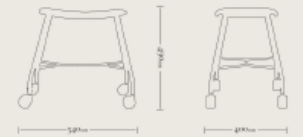

SKATE ATTITUDE

Simple is also a kind of beauty / pure color, paired with any furniture, to show the romantic life atmosphere, full of your endless pursuit of home life.

SKATE SIZE

In order to adapt the wider space

REGULAR COLORS / METAL FRAME:

The unique and simple arc is wrapped in comfortable sponge and cloth

dusty pink, rusty red, burgundy red, blue grey, green, grey, dark grey, black and white

Simple, the ultimate beauty no fancy embellishments needed, everything you need is here to start

We do better
